We are a holiday touring park. We do not accept any units involved in commercial activity. We do accept visitors attending the various Harrogate shows. Transit vans are not accepted.

For security reasons we do not accept the larger size caravans e.g. Hobby, Dethleffs, Fendt and others. Please contact us before arrival for confirmation.

Dogs are accepted (no more than 2) provided they are kept on a lead at all times.

Access statement.

The park is grass with a gently slope. All roads are tarmac, parts with a gentle slope.

The toilet block is single story with wide doors. The outside door has a closure system which does exert some power. In the toilet block the Ladies and Gents each have toilets with their own wash basins. Also communal wash basins. A family wash room has toilet with support rails, shower and wash basin. Access to the toilet block is via a slightly sloping tarmac path.

A bus stop is some 15 minutes walk away with a 30 minute bus frequency. From the bus stop there is a hill to negotiate.

The reception / shop is accessed by four shallow steps.
